

## **News from the Wound Management Association of Turkey (WMAT)**

We had the 3rd National WMAT (Wound Management Association of Turkey) Congress in Çeşme, İzmir, 27-29.November 2008.

It was a very successful Congress with visiting executive members of WMAK (Wound Management Association of Kosova) and MWMA (Macedonian Wound Management Association). The congress was held at the international conference faculty and had more than 250 participants, 50 lectures, 50 panels and 50 free and poster presentations.

Prof.Dr. Ali Barutçu  
Vice-president of WMAT
