

EBJIS 2020 Preliminary Programme

10 September 2020		Room: Plenary	Room: Parallel session
07:00	Registration		
08:30-08:50	Welcome & Opening Ceremony	Marko Pokorn & Rihard Trebše	
08:50-09:50	Key session 1: Perceptions in Managing Orthopedic Infection	Chairs: Marko Pokorn and Rihard Trebše	
08:50-09:05	Risk and medical decision making	Hansjorg Neth	
09:05-09:20	Do we need randomised controlled trials?	TBC	
09:20-09:35	Antibiotic stewardship in orthopedics	Bojana Beović	
09:35-10:35	Key session 2: Optimising Antibiotic Treatment of Bone & Joint Infections	Chairs: Barry Brause and Lea Papst	
09:35-09:50	Optimizing PJI treatment – Management adaptation according to the pathogen, patient and surgeon	Andrej Trampuž	
09:50-10:00	Intravenous or oral antibiotics in PJI	Matthew Scarborough	
10:00-10:10	Pharmacokinetics of antibiotics in osteoarticular infections	Francoise van Bambeke	
10:10-10:20	Interactions between antibiotics and other drugs	Nataša Faganeli	
10:20-10:35	Discussion		
10:35-11:15	<i>Coffee</i>	<i>Posters/Exhibition</i>	<i>Coffee</i> <i>Posters/Exhibition</i>
11:15-12:40	Free Papers A (6 min + 2 min)	Chairs:	Free Papers B (6 min + 2 min) Chairs:
	<i>The free paper presentations will be selected by the Scientific Committee</i>		
12:40-14:00	<i>Industry Symposium A (12.50-13.50) - Platinum sponsor</i>	<i>Lunch</i>	<i>Industry Symposium B - Gold sponsor</i> <i>Lunch</i>
14:00-15:00	Key session 3: Optimal Bone Infection Sampling and Microbiological Processing	Chairs: Petra Bogovič & Alex Soriano	
14:00-14:15	Optimizing the threshold for diagnosing PJI by histology	Veit Krenn	
14:15-14:30	Is inoculation in blood culture bottles for joint aspirates really the best option?	Samo Jeverica	
14:30-14:45	Optimizing the processing of microbiological samples in orthopedics	Bridget Atkins	
14:45-15:00	Discussion		
15:00-15:50	Free Papers C (6 min + 2 min)	Chairs:	Free Papers D (6 min + 2 min) Chairs:
	<i>The free paper presentations will be selected by the Scientific Committee</i>		
15:50-16:20	<i>Coffee</i>	<i>Posters/Exhibition</i>	<i>Coffee</i> <i>Posters/Exhibition</i>

16:20-17:20	Key Session 4: Low-Grade PJI – What is the best approach?	Chairs: Marjan Wouyhouzen-Bakker and Ricardo Sousa	Key session 5: Musculoskeletal Infections in Children	Chairs: Marko Pokorn and Markus Pakkonnen
16:20-16:35	How to define a low-grade PJI	Alex Soriano	Diagnostic approaches in children with OAI	Jesus Saavedra-Lozano
16:35-16:50	Is Cutibacterium acnes really a pathogen and how is it best to treat?	Yvonne Achtermann	The role of the orthopedic surgeon in pediatric osteoarticular infections	Markus Paakkonnen
16:50-17:05	Surgical approach to a low-grade PJI	Martin Clauss	Shortening the duration of antimicrobial treatment in paediatric OAI – Where is the limit?	TBC
17:05-17:20	Discussion		Discussion	
17:25-18:25	Industry Symposium C - Platinum sponsor			
18:30-20:30	Welcome Reception - conference venue			

11 September 2020

07:45	Registration			
08:30-09:30	Key Session 6: Uncommon infections	Chairs: Klaus Kirketerp Møller & Rene Mihalič		
08:30-08:45	Small orthopedic implant associated infection	Nora Renz		
08:45-09:00	Infection after ACL reconstruction	Daniel Pérez-Prieto		
09:00-09:15	Infection of the hands (bites mycobacteria)	Nicholas Riley		
09:15-09:30	Discussion			
09:30-10:30	Key Session 7: Non-Operative Management of Chronic Infections	Chairs: Martin McNally & Olivier Borens		
09:30-09:45	Living with a leaking hole in the limb	Mathias Glehr		
09:45-10:00	Conservative – immunomodulatory treatment of osteomyelitis	Ferdinando Da Rin		
10:00-10:15	PJI sinus tract : do we need antibiotic or not?	Marjan Wouthuyzen-Bakker		
10:15-10:30	Discussion			
10:30-11:00	Coffee	Posters/Exhibition	Coffee	Posters/Exhibition
11:00 -11:30	Editorial Meeting (NB: Exact date and time TBD. This meeting is by invitation only)		Country Delegate Meeting (NB: Exact date and time TBD. This meeting is by invitation only)	
11:00-12:30	Free Papers E (6 min + 2 min)	Chairs:	Free Papers F (6 min + 2 min)	Chairs:
	<i>The free paper presentations will be selected by the Scientific Committee</i>			
12:30-13:45	Industry Symposium E , 12.35-13.35 - Platinum sponsor	Lunch	Industry Symposium F - Gold sponsor	Lunch

13:45-14:45	Key Session 8: Spinal Infections	Chairs: Martin Clauss & Drago Dolinar
13:45-14:00	Vertebral osteomyelitis	Werner Zimmerli
14:00-14:15	Infection after spinal instrumentation	F. Cumhur Öner
14:15-14:30	Spinal tuberculosis	Alessandro Gasbarrini
14:30-14:45	Discussion	
14:45-15:45	Free Papers G (6mins+2mins)	Chairs:
	<i>The free paper presentations will be selected by the Scientific Committee</i>	
15:45-16:15	Coffee	Posters/Exhibition
16:15-17:15	Free Papers I (6mins+2mins)	Chairs:
	<i>The free paper presentations will be selected by the Scientific Committee</i>	
17:30-18:45		
20:00-23:00	EBJIS Gala Dinner - Grand Union Hotel	
12 September 2020		
08:30-09:00	Travelling Fellowship Report	
09:00-10:00	Key Session 10: Fracture-Related Infections	Chairs: Andrej Trampuz and Boštjan Sluga
09:00-09:15	Algorithm on treatment	Mario Morgenstern
09:15-09:25	Managing Early infection (cases)	Jamie Ferguson
09:25-09:35	Prevention and treatment on pin infections during external fixation	Martin McNally
09:35-09:45	Slovenian experience on managing the fracture related infection	Boštjan Sluga
09:45-10:00	Discussion	
10:00-10:30	Coffee	Posters/Exhibition
10:30-12:00	Best Papers (6 min + 2 min)	Judges: Poster Judges:
	<i>The best papers will be selected by the Scientific Committee</i>	
12:00-12:15	Best JBJI Paper	Parham Sendi, Elie Barbari
12:00-12:30	Honorary lecture: Antonia Chen	
12:30-12:45	Closing Remarks & Prizes	
12:45-14:00	Farewell lunch	

Key Session 9: Septic Arthritis in Native Joints	Chairs: Charles Vogely & Christof Wagner
Septic arthritis in native joints – Guideline (40 min)	Christen Ravn and Jeroen Neyt
What we know and still don't know about Kingella kingae (20 min)	TBC
Free Papers H (6mins+2mins)	Chairs:
Coffee	Posters/Exhibition
Free Papers J (6mins+2mins)	Chairs:
General Assembly (for EBJIS members, by invitation only) - Time TBC
