

Live webinar: The power of compression therapy for leg ulcer management

Date: Tuesday 26th July 2022

Time: 19.00-20.30 (British Summer Time)

ABOUT THE WEBINAR

Legs Matter and the European Wound Management Association (EWMA) are pleased to invite health care professionals to a free of charge 1,5-hour introductory webinar about the recommendations, guidelines and practical circumstances for use of compression therapy in wound management.

The webinar is held in connection with the Compression Therapy Campaign initiated by EWMA in collaboration with Legs Matter coalition and other wound management societies across Europe.

WHO IS IT FOR?

The webinar is for health care professionals with limited specialization in wound management. The aim is to raise awareness the importance of this critical therapy so that we can increase use across the UK.

REGISTRATION

Participation in the webinar is free of charge. Please register at ewma.org to receive a link to the live webinar: https://us02web.zoom.us/webinar/register/WN_69RUQqfgT_aNMaqb24YkXQ

CERTIFICATE OF ATTENDANCE

EWMA will distribute a EWMA certificate of attendance to all who participated in minimum 70% of the webinar.

MORE INFORMATION/QUESTIONS

If you have additional questions about this webinar, please contact Legs Matter [HERE](#)

For more information about the EWMA Compression Therapy Programme and resources, please visit ewma.org [HERE](#).
