WMAT – Turkey

Fig 1

Fig 2

In addition to the annual national congress and certificate course, we also offered a number of wound related courses and events.

1. A Wound Management Course held during the National Family Medicine Congress (fig.1)
2. Wound Healing Days held in the Atatürk University Medical Faculty Students' Conference (fig. 2)
3. The foundation of the Turkish Wound Management Journal. This will be published three times a year.
4. The Sixth National Wound Management Congress held in Antalya, in 1-4 December, 2011. (fig. 3)
