INVITATION

It is a great pleasure to announce the 29th Conference of the European Wound Management Association, EWMA 2019.

Theme of the EWMA 2019 Conference:

Person-centred Wound Care.
Who is in Charge of the Wound?

A wound is always part of someone’s body; a person has to live with it. The patient therefore qualifies as being an important member of the team focusing on wound healing. When all professionals, with their specific competences, work together with the patient, progress can be made and clinical knowledge and competences can be developed and shared. A multidisciplinary interprofessional team and person-centred wound care approach will support the wound healing process, increase patients’ quality of life and be more cost effective.

In June 2019, the EWMA Conference will be held in the heart of Gothenburg, one of the world’s most sustainable cities located at the Swedish harbour front.

We look forward to welcoming you to Gothenburg!

Alberto Piaggesi, EWMA Scientific Recorder & President Elect
Sue Bale, EWMA President
Susanne Dufva, SSiS President

### WELCOME TO GOTHENBURG

Gothenburg is the second largest city in Sweden and is located on the Swedish west coast at the epicentre of Scandinavia and the Baltic States. Experience the Nordic light summer evenings in this charming harbour city, which has an exceptional combination of city life, culture and nature.

You will seldom have such easy access to everything you want and need. Within this pedestrian-friendly city, you will find cobbled lanes lined with local design boutiques, Nordic architecture, excellent restaurants and cozy independent cafés – and the stunning archipelago is only a tram ride away.

Known as a smart city going green and open to the world, expect nothing less than to be met by warm and friendly people with a laid-back attitude.

KEY SESSIONS
The programme features a mixture of new topics which are important to the European wound community in addition to topics that have been popular during previous EWMA Conferences. The sessions deal with advancement of education and research in relation to epidemiology, pathology, diagnosis, prevention and management of wounds.

The key sessions cover:
- Opening Key Session: Person-centred Wound Care. Who is in Charge of the Wound?
- Pressure Ulcer Prevention
- Translational Science and Clinical Opportunities (for clinicians):
  - Basic Science Key Session
- Managing and Preventing Birth Related Wounds and Post-Caesarean Section Infection
- Catastrophe and War Wounds
- Patient Involvement and Patient Safety
- Multidisciplinarity and Organisation
- Atypical Wounds Key Session
- Surgical Treatment of Chronic Wounds
- Economy of Wound Management
- Surgical Site Infection
- Burns

All conference sessions will be in English. For Swedish participants the conference will in addition feature a 2-day Swedish spoken programme.

See programme on www.ewma.org for further details.

FOCUS SESSIONS
A focus session is an opportunity to go into depth with a topic.

The 2019 focus sessions are:
- Skin Necrosis in Wounds
- Malignant and Fungating Wounds
- Pain Assessment
- Lesions in the Fragile Patients
- Regenerative Medicine in the Treatment of Chronic Wounds

EWMA STREAMS
The full-day streams are particularly popular among EWMA Conference delegates, as they foster more in-depth discussions.

Streams at EWMA 2019 are:
- Pressure Ulcer Prevention
- Infection, Prevention and Control Stream
- Diabetic Foot Ulcers
- Debridement Day
WORKSHOPS
EWMA Workshops are typically held in a smaller setting than the other sessions. The workshops are interactive and give participants an opportunity to address and elaborate on particular aspects of the themes of the individual sessions.

The workshops will cover:
- Debridement
- After Debridement
- How to Read a Paper. Understanding the Basics.
- Diabetic Foot – Assessments, Offloading and Footwear
- Managing Wounds after Discharge - Case Studies Discussion Workshop
- Eczema in Leg Ulcer Patients
- Regulatory Workshop
- Patient Repositioning and the Properties of the Patient Support Surfaces Used

MEET THE EXPERTS
A number of Meet-the-Experts Sessions will take place during EWMA 2019. Participants are invited to listen to and discuss with leading experts in an informal setting.

GUEST SESSIONS
EWMA invites a number of organisations to facilitate a guest session at EWMA 2019. This serves to increase scientific cooperation and networking with organisations active in thematic issues related to wound healing and management.
