

Time	Subject & speakers
------	--------------------

Introduction, welcome and background to UK wounds research for practice & collaboratives

- | | |
|---------------|--|
| 09.30 - 09.40 | <ul style="list-style-type: none">• Professor Jane Nixon, Deputy Director of the Leeds Institute Clinical Trials Research, University of Leeds• Professor Thomas Pinkney, George Drexler & Royal College of Surgeons Chair of Surgical Trials, University of Birmingham |
|---------------|--|

Building the evidence: Negative Wound Pressure Therapy (NPWT) in surgical wounds

09.40 - 09.52	<u>SWHSI and SWHSI 2: Surgical wound healing by secondary intention</u>
---------------	---

- **Professor Ian Chetter**, Chair of Surgery, Hull/York Medical School

09.52 - 10.04	<u>WHIST and WOLFF - large RCTs - NPWT in lower limb trauma</u>
---------------	---

- **Professor Julie Bruce**, Warwick Clinical Trials Unit, University of Warwick

10.04 - 10.16	<u>Negative Pressure Wound Therapy (NPWT) for closed surgical wounds</u>
---------------	--

- **Dr Gill Norman**, Research Fellow in Evidence Synthesis, University of Manchester

10.16 - 10.30	<u>Q&A</u>
---------------	----------------

10.30 - 10.45	Virtual refreshment break, networking and exhibition
---------------	--

Surgical site infection

10.45 - 10.57	<u>Randomised clinical trials to reduce surgical site infection across low and middle-income countries</u>
---------------	--

- **Mr James Glasbey**, NIHR Doctoral Research Fellow in Global Surgery, University of Birmingham

10.57 - 11.09	<u>Essential global guidelines for surgical site infection prevention: A guideline synthesis and Delphi consensus process</u>
---------------	---

- **Dmitri Nepogodiev**, Doctoral Research Fellow at the NIHR Global Health Research Unit on Global Surgery, University of Birmingham

11.09 - 11.21	<u>Surgical Site Infection and costs in low and middle income countries: A systematic review of the economic burden</u>
---------------	---

- **Mark Monahan**, Research Fellow in Health Economics, NIHR Global Health Research Unit on Global Surgery, University of Birmingham

11.21 - 11.33	<u>SSI in wounds for COVID-19 patients</u>
---------------	--

- **Professor Thomas Pinkney**, George Drexler & Royal College of Surgeons Chair of Surgical Trials, University of Birmingham
- **Mr James Glasbey**, NIHR Doctoral Research Fellow in Global Surgery, University of Birmingham

11.33 - 11.45	<u>Q&A</u>
---------------	----------------

11.45 - 12.15	Virtual refreshment break, networking and exhibition
---------------	--

Time	Subject & speakers
	<u>Early phase to late phase trials of dressing effectiveness</u>
12.15	<u>Bluebelle: three wound dressing strategies in elective and unplanned surgery (a pilot RCT)</u> <ul style="list-style-type: none">• Professor Jane Blazeby, Professor of Surgery, University of Bristol
12.30	<u>PPAC and PPAC2: Packing of perianal abscess cavities – multi-centre randomised control trial</u> <ul style="list-style-type: none">• Julia Martin, Specialty Registrar in General Surgery, Manchester University NHS Foundation Trust
12.45	<u>Building the evidence: infection diagnosis effectiveness in DFUs</u> <ul style="list-style-type: none">• Professor Jane Nixon, Deputy Director of the Leeds Institute Clinical Trials Research, University of Leeds
13.00	<u>Q&A</u>
13.15 - 13.30	Virtual refreshment break, networking and exhibition
13.30	<u>COVID-19 - the impact on clinical trials - Panel Discussion</u> <ul style="list-style-type: none">• Professor Jane Nixon, Deputy Director of the Leeds Institute Clinical Trials Research, University of Leeds• Professor Thomas Pinkney, George Drexler & Royal College of Surgeons Chair of Surgical Trials, University of Birmingham• Mr James Glasbey, NIHR Doctoral Research Fellow in Global Surgery, University of Birmingham• Professor Julie Bruce, Warwick Clinical Trials Unit, University of Warwick
14.20	<u>Summary and close</u> <ul style="list-style-type: none">• Professor Jane Nixon, Deputy Director of the Leeds Institute Clinical Trials Research, University of Leeds
14.30	Close
