

CURRICULUM VITAE

Family name: Isoherranen (née Lehtola)

First name: Kirsi-Maria

Title: MD, PhD

Date of birth: 7.6.1972

Education and/or academic degrees:

MD, University of Turku, 1997

PhD, University of Turku, 1998

Specialist in Dermatology and Allergology 2010, Helsinki University

Special Competence in Wound Management 2016 (Finnish Medical Society)

Fellow of the European Association of Fellows in Wound Healing 3/2021

Previous positions:

1993 Research assistant, Laboratory of Biotechnology, University of Turku

1994-1997 Research assistant, Department of Dermatology, University of Turku

1997 General Practician, Pöytyä Health Centre

1998 Researcher, Department of Dermatology, University of Turku

1998 Assistant doctor, Department of Internal Medicine, Vakka-Suomi Hospital

1998 Assistant doctor, Department of Dermatology, Turku University Central Hospital

1999 Assistant doctor, Skin and Allergy Hospital, Helsinki

2000 General Practician, Espoonlahti Health Centre

2001 Assistant Doctor, Rheumatism Foundation Hospital

2001-2002 Principal Investigator, University of Tampere

2003-2010 Resident in Dermatology, Skin and Allergy Hospital, Helsinki

1.5.-31.7.2021 Clinical Teacher, 35 %, Helsinki University, Dermatology Clinic

2011 -> Specialist in Dermatology, Skin and Allergy Hospital, Helsinki

Present positions:

Head Physician of the Helsinki Wound Healing Centre, Helsinki University Hospital 1.1.2024 ->

European Wound Management Association (EWMA) Council member since 5/2016

EWMA President 5/2023 ->

UEMS Multidisciplinary Joint Committee Wound Healing Secretary General 4/2021 ->

Treasurer of the European Association of Fellows in Wound Healing 3/2021 ->

Previous positions (positions of responsibility)

Council Member in the Committee of Special Competence in Wound Management 2013-2021
(Finnish Medical Society)

Chair of the Author Group for Finnish Guidelines for Chronic Leg Ulcers, Duodecim (2019-2021)

Prizes:

One of the best articles in Duodecim 2015 (Diagnosis and treatment of actinic keratosis)
 The Teacher of the year 2021 for residents in Helsinki area (Nominated by the Junior Doctors' Association in Finland)

Experience of clinical studies:

2001-2002 Principal Investigator in Espoo, rotavirus and influenzavirus vaccine studies (University of Tampere). During that period many courses concerning GCP.

2011-2012 Investigator in studying the effect of cis-urocanic acid in atopic eczema, multi-centre phase II study, Biocis Pharma
