Lecturer UAS

Personal information

Dr. Paul Bobbink

Education

Date	Diploma	Location
December 2024	**PhD in nursing** under supervision of Prof. Dr Phillip Larkin and Prof. Dr Sebastian Probst	UNIL *Lausanne*
September 2024	**Academic Advisor** (Course only)	HES-SO *Fribourg*
28 January 2022	**Grounded Theory: A practical guide to qualitative analysis**	SRA *Online*
29 & 30 September 2021	**Positionality and reflexivity in qualitative research**	SRA *Online*
24 February 2021	**Grounded Theory Workshop**: Prof. Bryant, Prof. Gibson	*Online*
20 & 21 October 2021	**Grounded theory – Troubleshooting seminar**	GT *Online*
13 & 14 December 2021	**GRADE Workshop**	BEST *Lausanne*
October 2019	**Systematic review - JBI**	BEST *Lausanne*
September 2020	**CAS** University Didactic Course	HES-SO *Fribourg*
July 2017	University Didactic Course	HES-SO *Delémont*
December 2015	**BLS AED** « Generic Provider »	HES-SO *Genève*
September 2015	**Master** of science in **nursing sciences**	UNIL - HES-SO *Lausanne*
December 2012	**CAS** « Prise en charge interdisciplinaire des plaies et cicatrisation »	HES-SO *Genève*
September 2010	**Bachelor** in **Nursing Science**	HES-SO *Genève*
June 2005	**International Baccalaureate**	Lycée international *Ferney-Voltaire*

Languages

- **French, Dutch**: native language oral and written
- **English**: C2 oral and written

Work experience

Date	Work	Company
Since September 2024	**Program coordinator** *Bachelor in nursing science*	HEdS *Genève*
Since September 2024	**Module manager** *Implementation of Scientific Knowledge into clinical Practice*	HEdS *Genève - Lausanne*
Since September 2023	**Module manager** *Nursing intervention for individuals living with chronic wounds*	HEdS *Genève - Lausanne*
Since September 2018	**Lecturer UAS** *Development of wound care education* *Nursing science and research for nurses*	HEdS *Genève*
September 2016 - 2022	**Module manager** Nursing Science 4 *Planification and pedagogical scenario*	HEdS *Genève*
September 2015 - September 2018	**Assistant lecturer UAS** *Nursing science and research*	HEdS *Genève*
September 2014 - September 2015	**Lecturer** *Nursing science and research*	HEdS *Genève*
October 2010 - September 2018	**Nurse in internal Medicine** *Expertise in acute care, pressure ulcer prevention and wound care*	CHUV *Lausanne*

Associations

Date	Contribution	Association
Since Mai 2024	**Member of the education committee**	European Wound Management Association - EWMA
Since December 2019	**Member of the committee**	Suisse Association for wound care SafW-R
Since December 2019	**Member of the education committee**	Suisse Association for wound care SafW-R
